Terms and Conditions of Enrolment of the German Courses organised by Research Academy Leipzig in co-operation with interDaF

General Requirements

The German courses on behalf of the Research Academy Leipzig are tailored to foreign researchers (doctoral candidates or postdocs) of the University of Leipzig as well as of co-operating research institutes in Leipzig.

Registration

Participants can register for these courses at interDaF using an application form. The Research Academy Leipzig finally decides who is entitled to take part in the courses.

Terms of Payment

By registering, participants agree to a co-payment of €55 per course.¹ They will get detailed information regarding the method of payment on the first day of language instruction.

Course Level Assignment

The participants can choose a particular course (and level) on the registration form. Final placement in a particular course level is based on the results of the placement test.

Cancellation/Termination

If participants miss the test without notifying interDaF, the course place will be passed on and the registration will be cancelled. The same applies to the unexcused absence at the first lesson.

A cancellation of the course without co-payment is only possible in the first week of the course, i.e. after the first lesson by the latest. The participants have to unsubscribe in writing at interDaF (e.g. interdaf@uni-leipzig.de). From the 2nd lesson onwards, the co-payment will be invoiced.

Certificate

All participants who attend at least 80% of the lessons are awarded a certificate. They can collect this certificate at Research Academy Leipzig after the end of the German course.
